17 February 2021

I trust you and your families have begun the Lent Season today with Ash Wednesday Liturgy in your own homes/families.

Although Auckland City is moving to Alert Level Two from midnight tonight until Sunday night, our parish must still take extra care to keep our communities safe, with the virus in our locality. Therefore, for precautionary reasons:

- Our Church building will continue to close until Monday
- There will be no daily masses this week
- There will be no vigil Mass on Saturday and no masses on Sundays

Thank you for your patience and understanding during this challenging time. Pray that our Heavenly Father will continue to protect and care for you and your families.

For any urgent matters, please contact Fr Soane or myself at the Presbytery on (09) 278-8511.

Blessings and regards to your families.
